Berea College To Offer Nurse Training

In an effort to help meet the urgent need for more nurses, the Berea College School of Nursing will start a class for beginning nurses the second semester, opening January 28, Charles T. Morgan, Director of Admissions, has announced. This is the first time in the history of the institution that a January class has been started. One of the subjects which began in August has been the custom.

The new plan is being made in response to the appeal of the National Nursing Council for War Service that 20,000 new students be admitted to the schools of nursing over the nation in the spring of 1943 in order to meet war needs.

The training is conducted in connection with the modernized, well equipped Berea College Hospital.

An affiliation with the Cincinnati General Hospital and the Louisville Children's Free Hospital has been approved by the American College of Surgeons and is a member of the American Hospital Association.

Girl Scout Activities

Marilyn Lee French, Troop Scribe

The Girl Scouts attended the Thanksgiving services Wednesday night and have also prepared two baskets to make Thanksgiving more enjoyable for those less fortunate than themselves.

The Intermediate Scouts with their leader, Mary Jane Fugate, and the Brownies with their leaders, Peggy Reynolds and Margaret Shannon, will hold their weekly meetings at the Christian Church at 1:30 at the Christian Church.

The troop did not collect magazines for the new USO room last Saturday, as was announced, on account of the unfavorable weather, but have postponed their collection until this Saturday from 10:30 to 11:30 a. m. and will collect alternate Saturdays thereafter at the same hour.

The Senior Scouts will have their regular Friday night meeting at the home of Mrs. Arthur Landolt, Troop Leader, with Miss Woolrich to help them with work on their merit badges. Miss Woolrich, Home Economics instructor at the College, was recently appointed by the local Girl Scout Council as our new program consultant.

A large number of Senior and Intermediate Scouts will be out last Friday night for making surgical dressings in the Red Cross room. Besides preliminary work on practice make-ups, we made one hundred actual dressings. Mr. Arthur Landolt, Troop Leader, worked with us. Mrs. Mrs. Pennebaker and Mrs. VanAntwerp acted as supervisors.

William Hart, 54, Dies of Influenza

William Hart, 54, former employee of the State Highway Department, died at his home in Farnes, Kentucky, last Thursday, November 19, of influenza, following an illness of two weeks.

Mr. Hart had been a resident of Rowan County all of his life. He was married to Miss Grace Stephens on January 8, 1910. He was a veteran of World War I and is a member of the American Legion. He was affiliated with the Christian Church of Farnes.

Surviving are his widow, Mrs. Grace Stephens Hart; two sisters, Mrs. Mary Refett, of Louisiana, and Mrs. Flori Dexter, of Montgomery County, Kentucky; and one brother, Rhoads Hart, of Montgomery County.

Funeral services were conducted from the residence Sunday, Nov. 22, at 2:00 p. m., with the Rev. A. E. Larclet, pastor of the Methodist Christian Church, in charge of the services.

Burial was made in the Brown Cemetery, on U. S. 60, three miles west of Morehead.

Eagles Close Season With 18-6 Victory Over Maryville

Morehead Clinches K. I. A. C. Championship

The Morehead Eagles closed their 1942 football season Saturday with an 18-6 victory over Maryville in the early afternoon at the Intercollegiate Athletic Conference championship.

A "break" gave Maryville a 6-0 lead in the early stages of play, but the Eagles' rush back with two touchdowns in the same period and added another in the fourth quarter to win the game.

Morehead held the upper hand in all departments of play, tallying 13 first downs to four and completing six of ten passes while the visitors made good three of ten throws.

The Maryville score resulted when Workman's kick was blocked and Mitchell pounced on the ball over the goal line for a touchdown.

String Quartet Will Appear At MSTC Nov. 30

The Roth String Quartet, widely recognized as one of the finest musical groups in the country, will appear on the Morehead campus at the Morehead Music Society (MSTC) on Monday night, November 30, for a lyceum program from the college auditorium.

The string group, which comes from New York, has played before the nation, and has been acclaimed by critics as a quartet of leading instrumental performers. The group is led by Feri Roth, violinist, and includes also Samuel Siegel, violinist, Julius Schuler, violist, and Oliver Edel, cellist.

Last season the Roth Quartet gave a performance at Morehead, and the audience praised it as the most of the year's lyceum program.

Included in the program for November 30 will be compositions by Tchaikovsky, Beethoven, Haydn, Mozart, Horner, and Boccherini.

The program will begin at 7:30 p. m., at the college auditorium. The admission is free to students, sailors and the general public.

NOTICE TO ALL RETAIL MERCHANTS

All the retail merchants of Rowan and surrounding counties are invited to meetings which will be held at the Court House on Wednesday, December 2, for the purpose of studying the OPA regulations on price ceilings and rationing and to answer any questions. Nearly every retail merchant has problems in complying with the regulations and this meeting offers an excellent opportunity for gaining first-hand information from an OPA representative.

Carload Hereford Heifers Shipped Here This Week

Imported Stock To Be Used In Building Up Local Herds

A carload of 54 choice hereford heifer calves were unloaded in Morehead on Sunday of this week. The calves, weighing 350 pounds, were purchased from W. B. Mitchell's Sons of Maria, Texas. Orders for the calves were placed two months ago with Woodrow Wilson, teacher of vocational agriculture in Rowan County, who was responsible for ordering and distributing the calves in the county. This was possible because of the correction the agriculture department has with the Texas producers.

The calves were unloaded about dark Sunday and hauled to the Morehead stock yard where they were vaccinated against shipping fever, watered and fed. Early Monday the various owners began calling for their calves. The load was distributed as follows: Sam Little, 10, George Hall, 6, Ray White, 3, Eugene White, 3, Roy Hall, 2, Glen Curtis, 2, Edward Crothwell, 2, Boyd Little, 4, Roy Cornette, 2, Watt Stevens, 1, Jack Blanton and J. W. Crothwell, 1. Two of the calves went to Bath County and 15 to Boyd County.

All the men were well pleased with the calves which were bought for 12½¢ in Texas. They plan to keep the heifers for breeding stock on the farm. Many farmers in the past have been very successful with this type of cattle.

Nine of the calves listed above are owned by the agriculture students of the Morehead and Haldeman schools. This is a fine start for a new program to make use of good material.

The various farmers who secured calves expressed their thanks to the agriculture department.

Cub Scout Pack To Meet December 3

The monthly pack meeting of the Cub Scouts will be held Thursday evening, December 3, in the Auxiliary Gymnasium at the College. The initial ceremony of the new Cub will be conducted by Mr. Linus A. Fair. Five Cubs will be initiated.

The advancement ceremony will be in charge of Mr. C. O. Leech.

Ninety-Four Entries Displayed In Twenty Rings During The Day

The Harvest Festival was a big success—even the rain could not dampen the spirits of the many farm men, women and children who entered their products. There were 94 entries in the 20 classes.

Ring No. 20, Best Variety of Live-at-Home Products, proved to be the most popular class in the show. This ring and the \$10 prize was won by Mr. and Mrs. John A. Lewis, Yale, who exhibited 62 different products. Mrs. Alta Click, Minor, was second, and Mr. and Mrs. Simon Eldridge, Sharkey, were third prize, with Mr. and Mrs. Sam Little, Little Brushy.

Ring No. 19, Best Farm Display, was also good. This ring and the \$10 prize was won by Mr. and Mrs. George Ellington, Yale. Second prize was won by Mr. and Mrs. Eddie M. Perkins from Perkins neighborhood. Mr. Wendell Housh, Fleming County, is to be congratulated on the fine job he did in judging the exhibits.

Mr. Woodrow Wilson and his FFA boys had a number of self-feeders and waterers on display that they had made in the shop problems today.

The building was attractively decorated with corn fodder and pine branches. Bob Bishop, Woodrow Wilson, Ray Wendell and Roy Cornette were responsible for the decorations which brought this contest from one of the best.

The crop books better than have ever seen it look better.

Mrs. Nell Proctor Succumbs After Long Illness

Mrs. Nell Proctor, 45, died in Baltimore, Maryland, on Tuesday, November 24, following two years of ill health.

Mr. and Mrs. Proctor left Morehead last summer and went to live in Baltimore after Mr. Proctor had obtained employment there.

Mrs. Proctor is survived by her husband, Bert Proctor, and daughter, Miss Mary Frances Proctor, who is at the University of Kentucky.

She also survived by her sister, Mrs. Mabel Riley of Green, Ky., and Mrs. Ray Lynville of Cincinnati, Ohio, and brothers, Prentice Boyd of Indianapolis, Ind., and Harley Boyd of Morehead.

Funeral services will be held in Morehead Friday, other arrangements have not been made.

Harvest Broadcast Scheduled Tonight

Claude R. Wickard To Be Heard On Program

Farmers throughout the Nation will have but one event on their agenda musts this Thursday . . . Thanksgiving evening. That will be the National Harvest Broadcast over the Columbia Broadcasting System at which time Secretary of Agriculture Claude R. Wickard will again herald the greatest production of food-stuffs that has ever been accomplished by the farmers of America.

Secretary Wickard will ask a grateful nation to join, as did the forefathers of American Agriculture, in putting their hands together in prayer for the bounty of the harvest.

M. D. Boyce, Chairman of the State AAA and USDA War Board, in encouraging the farmers of Kentucky to combine the history of American Agriculture with the history of the Harvest broadcast this Thursday evening over C. B. S. at 7 o'clock Central War Time, stated . . . "American farmers with industry and determination . . . put their hand, their job, their labor and farm machinery into this gigantic job. The biggest crop in the history of American Agriculture is the timely result. This is a celebration congratulating the farmers of America, and I with fellow Americans know they justly deserve it."

USO Plans Special Entertainment Thurs.

This week some special entertainment has been arranged for the men of the Naval Training School. Open house is being held for these men at the USO Club Room this afternoon from 2:00 to 3:00. Refreshments for this occasion, being prepared by the ladies of the local churches. A group of attractive Junior Hostesses will be on hand to assist in greeting and serving the men.

The USO has invited the boys to go on a Nature Hike to the Fire Tower on Saturday, November 28. The hike will be conducted by Dr. Shannon of the College Biology Department.

Postoffice Dept. Announces New Stamp Booklet

The attention of stamp collectors to the new revised edition of the official booklet containing a description and illustrations of all United States postage stamps from the date of their introduction on 1847 to July 31, 1942, including plate numbers and quantities issued of commemorative and special stamps, just issued by the Department.

Postmaster V. D. Flood announces that the new stamp booklet will be issued to the public through the office of the Superintendent of Documents at a price of 30 cents per copy with paper binding, which includes the cost of delivery. All mail orders for this booklet should be directed as follows: Superintendent of Documents, U. S. Government Printing Office, Washington, D. C.

Remittances accompanying orders for the booklet may be in the form of postal money orders or checks. Postage stamps are not acceptable.

Gay James Promoted To Rank of Sergeant

Gay James, son of Mrs. Maggie James of Morehead, Rural Route No. 3, has just been promoted to the rank of Sergeant in the United States Army.

Mr. James was inducted into the army on November 12, 1940, at the age of 18. While serving with the 11th Infantry, at Fort Benjamin Harrison, Indiana, he won a medal for shooting the score of an Expert Rifleman.

He has recently been transferred to the Quartermaster Battalion, at Camp McCoy, Wisconsin.

Rowan Circuit Court Expected to Adjourn Monday Afternoon

Grand Jury Returns Twenty-Six Indictments During Six-Day Session; Docket Was Lightest In Several Years

The present term of the Rowan Circuit Court is expected to adjourn next Monday, November 30, with the trial of a small number of misdemeanors, the only other business left before the court. The term has been one of the lightest in several years.

Conner Ewing, of Owingsville, Ky., was appointed by Governor Johnson to the post of Commonwealth's Attorney, to fill the unexpired term of J. Sidney Caudel. Mr. Caudel, a reserve captain in the United States Army, was called to active duty some time ago.

Morehead College Opens Basketball Season Fri. Night

Eagles Meet Lincoln Memorial University In Opener

The Morehead College Eagles will open the 1942-43 basketball season, here, Friday night, November 27, when they meet Lincoln Memorial University, of Narro-gate, Tennessee.

Bolestering the Eagle this season are three players from last year's squad—Earl Duncan, Oxford, Ky.; Fred Johnson, Morehead, and Carl "Corky" Howerton, Olive Hill, Ky. In addition to this group, new letters from last year will round out the Eagle first string—Buddy Judd and Bobby Hogg, both of Morehead, and Max Brand, Paintsville, Kentucky.

Freshmen reporting for practice Monday included Jack Pabst, Georgetown, Ky.; Herman Simpson, Franklin, W. Va.; Marion Speck, East Bank, W. Va.; Jack Adams, Delmar, N. Y.; Frank George, Uniontown, Pa.; Bill Ferguson, Crockett, Ky.; and Warren Hicks, Morehead.

Coach Ellis Johnson announced that only one other game will be played until after the Christmas holidays. On December 16 the Eagles will meet Salem College, of Salem, W. Va., in a charity game at Ashland, Kentucky. The game will be sponsored by the Ashland Junior Chamber of Commerce.

The 1942-43 schedule has not been completed, Johnson said.

Christmas Mail Must Be In Post Office By Dec. 1

Delivery Will Be Assured If Mailed Early

The bulk of Christmas mail must be in the Post Office by December 1st, this year if delivery on time are to be assured, according to Smith W. Purdum, Second Assistant Postmaster General. Mr. Purdum is responsible for Postmaster General Frank C. Johnson for prompt and efficient air and railway mail service.

Unprecedented wartime demands on the postal and transportation systems, plus a prospective record volume of Christmas mail, were cited by Mr. Purdum as necessities which must be met before Christmas.

"It is physically impossible for the railroads and air lines, burdened with vitally important war material and transportation systems, to handle the Christmas mailings as rapidly as in normal times," Mr. Purdum said. "If the bulk of parcels and Christmas cards are held back until the usual time—the period of about December 15 to 23—they simply cannot be distributed in time. The thousands of gifts will reach their destinations after Christmas."

In 1941, about 21,950 mail cars were in use, between December 12 and 24 to deliver Christmas mail—enough cars to make a train 170 miles long. To meet the extra cars needed to move holiday mailings are largely being used by the armed services, and a severe shortage is in prospect.

The postal service usually bor-

Ed Hinton was acquitted on a charge of obstructing justice.

Bill Stevens was acquitted on a charge of shooting on a public highway.

Alex Bradley pled guilty on a charge of breaking into a storehouse owned by W. E. Proctor and his punishment was fixed at two years in the State Reformatory.

Orville Caudill was fined \$100 and cost on a charge of obstructing a public passway.

Joe Seagriff, colored, of Carter County, was fined \$30 and costs on a charge of being drunk in a public place.

On Tuesday, a jury returned a verdict averring Leroy Crawford of New Craney, in this county, the sum of \$500.00 damages against the Morehead & North Fork Railroad Company. Crawford alleged that the railroad had not provided sufficient draining along its right-of-way, thereby causing damage to his land and preventing him from being able to cultivate it.

The Grand Jury adjourned on Tuesday, after having been in session for five days and returned 26 indictments, the smallest number of indictments returned in several years in the Rowan Circuit Court.

Justus W. Bridges, who was stated from the bench upon discharging the jury that in his opinion the condition of the county with respect to lawlessness and respect of the law is the best that has ever known.

The Grand Jury report follows in its entirety.

The Grand Jury of Rowan County desire to submit to the Honorable W. Bridges, White, Justice of the Peace, Circuit Court, the following report.

We have been in session six days.

We have investigated all crimes and misdemeanors that have come before us and we have returned 26 indictments.

We have examined all of the public buildings and we find the

CHURCH NEWS

St. Alban's Episcopal Mission, Martindale Building, Morehead, Kentucky. The Ven. Francis M. Cooper, Vicar. Services for Sunday November 29—Evening Prayer and Confirmation 7:00 P. M. The Rt. Rev. H. P. Alvin Albert, D. D., Bishop of the Diocese of Lexington, will be present at this service.

Christmas Play To Be Given

by Young People:
The Junior Young People's Guild of the Christian Church has started rehearsals on the Christmas play "Women of the World," to be given in the Church Sunday evening before Christmas Day, December 26.

The play is under the direction of Mrs. Arthur Landolt, and deals with the subject of peace.

The group of youths who are cast in the play have on several previous occasions performed successfully.

same to be in good condition and clean and well kept with the following exceptions: We find that the building or the court house square, the courthouse roof should be repaired and we further find and believe from our inspection that the courthouse building is unsafe for occupancy and we recommend that the necessary steps be taken to place it in first class repair.

We recommend that the coal bin be erected and furnished to the courthouse in order that the fuel used by the county may be properly protected and conserved. We find that the men's and lady's toilets in the courthouse need certain repairs and without pointing out the particular repairs we recommend that the proper steps be taken to place said toilets in good order and good repair. We find at this time two of the commodes in the men's toilet are out of order and that the water is being wasted by reason of broken parts in the flush box. We

recommend that this be repaired and should be repaired immediately in order to conserve the water which is being wasted at a cost to the county.

At this season of the year we recommend that it be the duty of the county to grade and drain county roads but we recommend that the County Road Engineer take necessary steps to open up the culverts and keep them clean and clear of obstruction during the winter so that the water may drain through them without being obstructed.

In our investigation we have been handicapped to some extent by reason of the witnesses not being willing and we were not able to get from them the facts necessary to make certain indictments and infractions of the law that were reported to us and which we investigated. We find that there is quite a lot of lawlessness in the County but this is not from the fault of any of the officials or the enforcement officers. We do not attempt to make any recommendations upon this feature of the matters that have come before us and only recommend that the Grand Jury and the Petit Jurors in so far as they are able, will continue to make an effort to enforce the laws.

We find that the County Board of Education and its quarters have been exceptionally well kept and are in a splendid condition and we wish to compliment Mr. Corbett, the Superintendent of Public Instruction, and the County Board of Education for the manner in which they keep their records and their offices.

We have inspected the City Hall and the City Jail of the City of Morehead and find the offices in the City Hall to be in good condition but the jail is in bad condition, in that the windows are broken out, the plastering overhanging in bad repair and should be repaired and the jail does not seem to be properly equipped with the necessary bed clothing, such as blankets, quilts and mattresses. We recommend that something be done to correct this, otherwise, we find the jail to be well kept and in good condition.

At all of which is respectfully submitted.

C. H. Stinson,
Foreman.

gram which is essential during the war emergency.

Chief Petty Officer Phillip John Rogazzi acted as master of ceremonies and introduced the Navy trainees who were on the program. The Navy boys entertained with a roller skate act, negro comedian, piano accordion player and other musical acts. Mr. Tom Young and his son gave an unusually fine puppet show in which the puppets danced and played musical instruments.

Bob Eishop left this thought with the audience—"If the Festival has encouraged one farmer to do a better job, we of the Farmer Club feel that our efforts have not been in vain."

DO THIS: To relieve discomfort, one of the best things you can do is put a good amount of home-made Vicks VapoRub in a bowl of boiling water. Then feel the wonderful relief as you breathe in the steaming medicated vapors that penetrate to the cold-congested upper breathing passages. See how this soothing irritation, quieting cough, and helps clear the head-bringing grand comfort.

ONE MORE THING...rub throat, chest and back with VapoRub for bedtime. Vicks VapoRub works for bronchitis, colds, croup, whooping cough, and all other respiratory ailments. Remember...it's Vicks VapoRub you want.

rows about 2,500 trucks from the Army and other Government agencies and about 10,000 from private owners, to handle the Christmas mails. This year, it will be extremely difficult to obtain enough of these vehicles to meet even a substantial part of the need. The Army needs its own trucks and private owners are reluctant to let someone else use their tires.

Railroads are cooperating by converting some hundreds of steel box cars and similar equipment for mail transportation, and Joseph B. Eastman, Director of Defense Transportation, has ordered that unnecessary travel be curtailed to the limit during the holiday season. But these measures cannot assure deliveries of gifts on time unless the public cooperates by mailing early and thus spreading the transportation load over a longer period than usual.

Mr. Purdum called attention to the fact that the Post Office Department, in moving millions of pieces of mail every day and from soldiers, sailors and marines throughout the world. This extraordinary service must be kept current, even while the holiday rush of mail is handled. Also, he pointed out the postal establishment is operating with many thousands of inexperienced personnel, employed to make the places of men called to the armed services. The new employees naturally cannot handle the holiday jam with the smoothness and speed of the postal veterans whom they replace.

In view of all these handicaps to the service, Mr. Purdum added, postal patrons should mail their gifts by December 1, if they wish that their friends will not be disappointed at Christmas.

Maritime Service Launches Drive

Enlistments Open To Men Between 18 and 35

Headquarters of the Fifth Regional District, United States Maritime Service in Cleveland, Ohio, announced today that its current drive, launched on October 1st, is only 500 short of its goal of 2,500 men by Thanksgiving Day, November 28th.

In Cincinnati there is a Maritime Service recruiting office in the Traction Building.

Gasoline used in unnecessary driving last year would have filled 1,000,000 tank cars.

WE AMERICANS HAVE SO
MUCH TO BE THANKFUL FOR

EVEN in this hour of great national emergency—that disrupts our normal way of life, that calls millions of our finest young men to the defense of the country, that takes billions of our treasure for the bloody task of global war—we Americans still have much to be thankful for.

Millions of people elsewhere in the world live constantly in terror. Day and night they face instant destruction by bomb and fire, as barbarian enemies ravage their lands. Week by week they see coming closer and closer famine, disease and squalor. Bare existence requires of them a rigorous discipline that galls men's souls.

But here in our beloved America most of us lack

few creature comforts. We have scarcely begun to give up luxuries. We know little of hardship from experience. With free speech, free worship, free education, free enterprise, and government of our own choosing, we have no cause to complain at surrendering a handful of privileges until the war is over.

So in all humility, on Thanksgiving Day, 1942, let us thank the Almighty for blessings beyond measure, and ask Him for whatever we shall need of wisdom, patience, charity, honor and courage to win victory and restore peace and decency in the world.

We Have
MUCH
to be
THANKFUL
For

Thursday, November 26th, is Thanksgiving Day.

Despite worry about loved ones in the fighting zones, war-time restrictions on daily living customs and scarcity of many commodities we still have much for which to be truly thankful.

Let's remember, on Thanksgiving Day, that hard work, thrift and self-sacrifice established our priceless liberties and will maintain them. And let's give thanks that we are free... that our Army and Navy are manned by the bravest boys in the world... that Victory eventually will be ours because ours is the side of right and justice.

"WELL, I ALWAYS STAY
AT THE BROWN"

The first guest ever to register at The Brown Hotel in Louisville was England's great ex-Premier, Mr. Lloyd George. From that day to this, The Brown has been Louisville's favorite hotel for busy men who want the comforts of home when they travel.

What's the reason for this preference? We can try to tell you but, it's hard to put into words. Here at The Brown, we don't regard our patrons as some kind of "freight in transit". The men and women who stop here are our guests—nice, friendly people who, like ourselves, simply want to be treated courteously, and made comfortable while they're away from home. So that's what we try to do for them, and they like it!

That sounds almost too easy, doesn't it? But, believe us, lots of people say it's practically unique! Next time you're in Louisville, see if you don't agree. We hope you'll give us a trial.
